

Legend

Industrial category	Land supply ¹		Constrained ² land	
	Color	Total area	Color	Total area
Low impact industry	Yellow	70 ha	Light yellow	<1 ha
Medium impact industry	Blue	121 ha	Light blue	<1 ha
High technology industry	Cyan	149 ha	Light cyan	3 ha
Non-industry zones	Brown	16 ha	Light brown	<1 ha

Other map features

- Local government boundaries (dashed line)
- Major roads (thick black line)

1. Industrial land supply refers to land parcels that are planned for industrial use or development.
2. This category refers to land that is not part of the industrial land supply due to physical and/or environmental constraints. These areas exclude developed land.

Notes:

This map shows the industrial land supply and constrained industrial land.

This map is an output of the Industrial Land Monitoring Program for SEQ and is to be interpreted in conjunction with that Program. Information about the Program's methodology can be viewed in the industrial development activity profile and explanatory notes.
